PHS is

variety;
endearing friendships;
stimulating activity;
strenuous study;
fun! !
frustration and heartache
compensated by achievement and joy;
opportunity for mental, physical,
and social development;
a dominating factor in our lives;
the realities of today and
the memories of tomorrow,
as presented in the 1968 Dragonian.

Peg,

I looked all over and finally decided to write here!

It has really meant a lot to me, being a friend of yours all these years. We've really shared some great times - they were few, but all the same, they were great! Someday we'll be rich and famous - you, me, Mike, and your Pop! We'll have to turn down 3 out of 4 jobs! We've worked together as a musical team many times, too! The Gr. Sr. should really knock 'em all over! 'Specially my high note!

After this we'll only have one more year. Boo-hoo! Really, though, after we all begin "going our separate ways," I know I'll miss so many of my friends at PHS, and you'll be one of them! And there will definitely be "Moments to Remember."

Have a nice summer, take care, and I'll see you next year ¹⁶⁶ class of 1969! Love, Brenda

Reg,
 Qu'est-ce qui se passe ?
 Je ne sais pas ce qui se passe mais je pense que we are growing up. Oh, how it hurts!

Thanks very much for being a friend, a friend I could talk to. I can truthfully say you're my bestest buddy from the Junior class.

We've shared becaoudles of experiences and most have been tris fun and rewarding. Remember Workshop, the slumber party, my New Year's Eve soiree, afternoon rides, journeys to C.H., chore practice, and, of course, my I. at the latter post I pass down to you bunches of good luck.

I'm looking forward to the great production — The Jr-Sr. Sorry I caused so much trouble, but after all it is my last year . . .

Always,
 "Little" Kay Reeves

I Keep things going next year & don't forget me!

Dear Peggy,
 First of all, if you were climbing the fire tower, just let me know. I am injured and being in your homeroom this year and in that order. Good looking at your legs and in that part of my friendship has been a vital wish to see you everyday. Love, and success. I hope you must have some love, and summer. I Love and best wishes
 John Marshall Atwater

Peggy,
 It has been nice knowing you these past few years.
 Best wishes and lots of luck to you in future years.

Friends always,
 Jerry Clark

Peg,
 I trying to write this in French and if Mrs. Kidd catches me - it's all over! Now I'm in Algebra, and ole Rock is probably dreaming of an algebra test. Well, Peg, we've only got 1 more year at PHS and I honestly can't say that I'm glad about it. Well, we've had some great times though at p.j. parties, etc. Well, I can say that your friendship has meant a lot to me these years, and I hope it will continue. Love,
 Jette

Peg,

I don't quite know how to start this thing off because anyone who cries while on a date has got to watch the sentimental things she reads. I feel you are the best friend I have in Pittsboro, or for that matter, anywhere.

Even though you've got me in trouble a few times (suttles) I still love you. I feel you are someone I can always talk to about my personal things and that helps me a whole bunch. You are kind, sweet, beautiful, (?) intellectual, (?) nice, level headed, (?) and most of all my friend.

You know, you're the first girl I met in the city and you treated me great then and have ever since. I won't you know I never forget you and cherish the memories we had (all except one incident) together. Be good and drive carefully cause we may into each other someday. Best of luck and may God bless you. Love always,

P.S. Always remember
Hoo - Hoo!!!

these past few years
and I hope our friendship
lasts many more. Best wishes to
a real sweet girl. Love,
P.S. What will you David
forget tomorrow?!?

Peg,

Where do I begin? We've had so many good times
I could write a book on them. We've even had
a few this year ???!! HA HA next year! I'll
say no more. Your friendship has meant a great deal
to me even if I did show my ignorance sometimes.
I have really cherished our friendships and hope it
will not stop as we leave the halls of PHS.

~~Remember~~ Remember the pole climbing I did in the 4th grade
It was embarrassing to wear your shorts!

May your life be filled with happiness for
you (if anyone) deserve it. Keep up that sweet smile
and don't ever be anything but Phabi. Be good & take
care

Luv Ya
Michel
(My best)

Peg,

Yash, just think. We'll be "MIGHTY SENIORS" next year! Since last year, we've really been close. We've experienced some very important things together. All of our talks about our loves have been interesting, haven't they? It was an honor being in Beta Club, wasn't it? HA! Maybe, next year! Yes, we've had our ups & downs but they are expected in friendships. I'll always treasure your friendship. We've really had some wild times, esp. your P.J. parties! I could name many more. Also thanks for ~~cutting~~ ^{cutting} my hair so many times. You could really make a good beautician! Peg, you're a very sweet girl with a wonderful personality. I wish you all the luck in the future, esp. with "Saddles". May God bless you always.

Love ya!
Cathy B.

big
I have really enjoyed knowing you these years, you have been one of my best friends and I hope you will stay that way. I'll never forget the Club.
Love ya Peg,
personally from Cathy B.

Peg, (Hey, Baby!) (Moonbeam!)

You don't know how much your friendship has meant to me. Through these past "toilsome" years, we've done many things - both good and bad. Especially your P.J. Party. It was groovy!!! He really had a ball! I'll remember all the dances, games, and the singing in glee club, and on the "Dragon Dragon" too.

I'm glad I stayed with you that night ^{when} all the riots were going on. He really had good talk.

He will be leaving soon and you will have to take over the (wonderful) responsibilities of being a mighty senior! You'll love it! I'm really lookin' forward to the Dr-Sr. It ought to be good!

When I leave, keep PHS swinging. (She needs something!) HA! Hope you get cheerleader.

Please don't forget the big-mouth, muscle-bound, basketball player, she won't forget you! Best wishes and much happiness to a GREAT girl!

Your friend,
Marie

I wish you the
best of luck in your
coming years. Keep
P.H.S. rolling.

A friend Always,
"Deb"

P.S. Maybe you
can stay with
me some at
weekend at
school. (I can
fix you up!
